

# Disposable Wristbands for Festivals, Play, Water

## One-time-use with chip

Material: Chip made from PVC, wristband made from paper/Tyvek material.  
Very strong and durable material.  
Waterproof: Yes

## Custom design

Wristbands can be delivered with your own design.

## Functionality

The wristband is put on and the ends are stuck together. The wristband is mounted with glue. The wristband is disposable and cannot be used more than once.
