Disposable Wristbands for Sport and Event

Disposable wristbands

The wristband is put on and adjusted to the right size with the locking tab. The wristband is for one-time-use and breaks when you take it off.

Used e.g., for holiday resort, playgrounds, activities, concerts, etc.

Custom design

The wristband can be customized and delivered in all colors. Choose from woven wristbands where the chip is sewn into a fabric bag, which makes for a very comfortable and soft wristband. Or attach a PVC chipboard with your logo. The wristband can be woven with you logo or your logo can be printed with screen or transfer printing.

Specifications

Material: Chip made from PVC, wristband made from fabric. Chip size: 42x46 mm / 40x25 mm Wristband size: e.g.15x400 mm / 20X350 mm. Waterproof: Yes Operating temperature: -30 til 75 gr. c.
